For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending VaYU to determine if your credits in the Master of Science (Yoga) will transfer.

\_\_\_\_\_ (*initial*) Units students earn in our programs in most cases will not be transferable to any other college or university. For example, if a student enters VaYU as a beginner, they may still be placed as a beginner if they enter another Yoga program at some time in the future even though they earned units here at our school. In addition, if students earn a certificate in our programs, in most cases it will not serve as a basis for obtaining a higher-level degree at another college or university. In addition, there may be a fee charged by the receiving institution. This fee is the responsibility of the student.

**CREDIT FOR PREVIOUS TRAINING:** VaYU does not award credits or placement from other Yoga schools given that each Yoga school is different with different learning objectives.
