This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program began on Aug 24, 2020. As of Dec 31, 2023, two full years of data for this program will be available.

### Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- 
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
  - “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
  - “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
  - “Salary” is as reported by graduate or graduate’s employer.
  - “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## STUDENT'S RIGHT TO CANCEL

A student wishing to cancel or withdraw from the school and receive a refund should send their notice of cancellation or withdrawal in writing to the Director of Admissions at the University Administration Office. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after, whichever is later.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

A notice of cancellation shall be in writing and can sent by mail or email. A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance or violation of federal or state law.

VaYU shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

A student may appeal his/her withdraw/termination in writing within three business days of the notice of withdraw to the physical or email address provided by the institution in the enrollment agreement.

Such appeals will be answered to the same physical or email address within three business days of receipt of the student's written appeal.

The refund policy for VaYU students who have completed 60 percent or less of the period of attendance shall be a pro-rata refund. Students who have completed greater than 60 percent of the contracted period of enrollment as indicated on the student application, shall receive no refund of tuition or of institutional charges incurred. Prepaid institutional charges, such as homestay or airport pickup/returns, that have not been incurred by the institution at the time of termination shall be refunded in full.

VaYU offers instruction via an online learning approach, and it is not offered in real-time. The student shall have the right to cancel the enrollment agreement and receive a full refund before the first lesson and materials are received by the student. Cancellation is effective on the date written notice of cancellation is sent. VaYU shall make the refund pursuant to section 71750 of the Regulations. If VaYU has sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

California BPPE requirements for refund policies and calculations as stated in this addendum will be followed. It should be noted, however, that both refund policies shall be applied in the calculation of a student refund and that the refund calculation that results in the greatest refund for the student shall be applied. **All refunds will be made within 45 days of a student's cancellation or withdrawal.**

Contact of VaYU Administration Office: 15311 Pioneer Blvd. Norwalk, CA 90650, Phone: (562) 215-4564 Fax: (562) 215-4564.
